LCNDT UV-100C & UV-100C-DC Certified LED UV Lamp

UV-100C Powered by Battery

Battery Protection have been used,
Voltage <9V, Lamp will shut down automatically.

Unlike many other battery powered UV Lamps, the UV-100C-DC will not lose intensity as batteries decay.

The UV-100C-DC will operate at constant - maximum intensity for 100% of battery charge life.
